

IN THE CLAIMS

The following listing of claims will replace all prior versions of claims in the application:

1 Claim 1. (*Currently Amended*) A baking device, comprising:

2 a) a baking pan having a horizontal bottom wall and an upright peripheral wall disposed about the
3 bottom wall, the peripheral wall having an inner surface facing toward the bottom wall, wherein said
4 peripheral wall comprises four upright sidewalls, each said sidewall having a top flange; and

5 b) a plurality of equally spaced measurement indicia disposed on the inner surface of said peripheral
6 wall to reflect measurements of distance in uniform increments, wherein said measurement indicia are
7 defined by vertical, parallel lines on said sidewalls and said flanges;

8 whereby said baking pan and said measurement indicia define an item of bakeware with portion
9 measurements.

Claims 2 and 3. (*Canceled*)

1 Claim 4. (*Currently Amended*) The baking device of claim 3, wherein said measurement indicia reflect
2 1/4 inch increments.

1 Claim 5. (*Original*) The baking device of claim 4, wherein said measurement indicia on said flanges further
2 include numerical dimension labels.
